**African Media**

**International Media**

*The Dragon Comes to Africa*, Partnership for a Secure America/CFP Opinion| Jan 26 2012

Population/Statistics

**African Media**

*South Africa’s population would be 4.4 million larger without AIDS*, The Zim Diaspora, 24 Jan 2012

*Africa urged to get more serious on statistics* (UNECA/Statcom Reference), Afrique en ligne, 27 Jan 2012

Social Development/Health/Youth

**International Media**

*Social networks and cooperation in hunter-gatherers*, Nature 481, (26 January 2012)

“Our results suggest that certain elements of social network structure may have been present at an early point in human history. Also, early humans may have formed ties with both kin and non-kin, based in part on their tendency to cooperate. Social networks may thus have contributed to the emergence of cooperation.”

*African focus: Improved employment prospects crucial for stability*, FT.com Special Reports, Investing in Young People 2012, 26 Jan 2012

*Education in South Africa: Still dysfunctional*, Standards still leave a lot to be desired, The Economist.com, Jan 21st 2012 | JOHANNESBURG | from the print edition

UNECA/Africa
