COM 2023

ECA CONFERENCE OF MINISTERS

Fostering recovery and transformation in Africa to reduce inequalities and vulnerabilities

RELATED STORIES Registration link: <https://bit.ly/3yokrgz>

Africa needs pro-poor and inclusive recovery efforts to foster economic transformation

Following the multiple financial, health, and climate crises affecting Africa, countries should accelerate inclusive recovery efforts to boost economic growth, the Economic Commission for Africa's Acting Executive Secretary, Mr. Antonio Pedro, has urged. [Read More](#)

Tackling Poverty and Inequality in Southern Africa through people-centred recovery and resilience to global shocks

Southern Africa needs to, "build resilience in the energy and food security sectors, as well as finance, integral to its path to recovery and transformation towards reducing inequality and vulnerability", says Mr. Jorge Jairoce [Read More](#)
